WHEREAS, an integral part of the compromise judgment are several mandates one of which identified as No. 9 of such orders is hereto to state as follows:

9) Ordering the National Government, Office of the President of the Philippines and his Staffs, the National Treasurer and his Staffs, the Solicitor General and his Staffs and the GOVERNOR OF THE CENTRAL BANK OF THE PHILIPPINES to located the remaining

inventory balance of 400,000 metric tons of Gold Nuggets own by the Royal Family, the TAGEAN TALLANO FAMILY, and when relocated, return the same to the vault of Central Bank for the interest of the Filipino people to serve as U.S. Dollar Reserves required by the IMF and the World Bank, while five (5%) of that 1% of the required Royalty which was unpaid starting in the year 1969 to the present and to its succeeding years until the precious metals would be withdrawn based on the prevailing market price should be paid directly to the authorized heir, Prince Julian Morden Tallano.

Whereas, a manifestation of Central Bank Governor, Gregorio Licaros had admitted under oath before this Court the only salvage inventory of said 617,000 metric tons of Gold Reserves and of that 583,000 metric tons which were deposited in trust by said Don Esteban Benitez Tallano to the vault of the Central Bank of the Philippines then assisted by his Legal Counsel, young Brilliant Lawyer of the Family, said former President Marcos, and which is still outstanding had reached only to 217,000 metric tons and was declared around 363,000 metric tons were missing when to account the 400,000 metric tons that were clandestinely transported to the United States of America by the order of said Deposed President then, Ferdinand E. Marcos, and deposited it by said Central Bank Governor, Gregorio Licaros to United States Federal Reserves at the pressures of the IMF-WORLD BANK sometime in the year 1974 during the midst of bloody apprehension by Marcos military rule to the Filipino people.

Whereas, portion of said missing gold billion containing of around 2,500 metric tons of 999.9 was discovered it has covered and embraced by Deposit Certificate No. 29791901-B, deposited in the Banco Central de la Republica Argentina on Sept. 15, 1973, and has been covered by INSURANCE CERTIFICATE insured on the same date of Sept. 15, 1973, by authority of the President issued by the Department of Finance of the Republica Argentina, evidenced by MEMORANDUM RECEIPT GMR No.29791901-B counter signed by said Former President Ferdinand E. Marcos, together of its BANCO CENTRAL DELA ARGENTINA, identifying Box No. 29791901-B, R.A. 1842, P.D. 4142, the same said CERTIFICATE OF DEPOSIT by virtue of this Special Writ of Execution of January 28, 1987 be turned over to the legitimate beneficiaries-heirs of the TALLANO ROYAL CLAN headed then by DON ESTEBAN BENITEZ TALLANO, who deposited said 1.2 million metric tons that portion of which as aforesated was lent by him to the Government of the Republic of the Philippines in the presence of their witnesses, their Young Family Lawyers then, ATTY. FERDINAND E. MARCOS, ATTY. LORENZO TANADA, Senate President Jose Avelino, Senator Claro M. Recto, and the former President, Diosdado Pangan

Macapagal, who was also then one among the top bras lawyers of the TALLANO ROYAL FAMILY.

Whereas, further disclosure was made by Ex. Central Bank Governor Gregorio Licaros and Akejo Rizal Lopez, the incumbent Overseer of the late Don Esteban Tallano, who was designated and had substituted Reverend Jose Antonio Diaz, A.K.A. Reverend Severino Sta. Romana, divuging the whereabouts of the portion of the said movable assets, such as 1.2 million metric tons of Diamond worth of more than \$300 Trillion U.S. Dollar own by the TALLANO ROYAL FAMILY, that were ferreted out to the Philippines from the island of Hawaii during the heavy battles of conspiring Russian american military forces against the TAGEAN ROYAL ARMIES toward dethronement of a Queen Lilieluo Kalanie Kamehameha, on the year 1896, which portion of said Gold bullion containing of 600,000 metric tons is now confirmed deposited in the name of DR. GUNTHER VON KLAUZE, the german name use as alias of said TALLANO ROYAL FAMILY's overseer, Dr. Alejo Rizal Lopez, in Bank Credit Swiss, UBS Bank of Lugano, UBS Bank of Zurich, Switzerland to secure and for safe keeping of said treasures against arrogant Marcos Administration and his cohort, HENRY SY and LUCIO TAN, And the same be turned over in due time to the legitimate heirs, headed now, by PRINCE JULIAN MORDEN TALLANO.

Another assets worth of \$30 Billion U.S. Dollar allegedly in the name of American Humanitarian Foundation, Inc., under Account Numbers 0-100086 and Account No. 372294-013 which were transferred to the Bank of America by Hon Placido V. Mapa in 1982, was discovered another kind of manipulation by the Deposed President, Ferdinand E. Marcos against his principal Don Esteban Benitez Tallano, whom he served his Lawyering Services that need to recover said precious assets for and in favor of the TALLANO ROYAL FAMILY and the Filipino people.

That based on the Court Record and deposition of the concerned witnesses, said Don Estban Benitez Tallano, the great grand father of the now COURT APPOINTED JUDICIAL ADMINISTRATOR, Prince Julian Morden Tallano, had obtained inventory certificate issued by the Monetary Board on 19th day of Sept. that disclosed said 1.2 million metric tons of gold, where the 617,000 metric tons was apportioned into a Central Bank Gold Reserves which illegally reduced into only 217,000 metric tons that declared around 400,000 metric tons from the Gold Reserves were missing and nowhere to be found. That later on it was confirmed by Central Bank Governor Governor Gregorio S. Licaros said 400,000 metric tons in conspiracy of the deposed

President were lifted beyond the knowledge of the owner and transported to the United States Federal Reserves with concealment the said 2.5 metric tons were covered by TRUST CERTIFICATE OF DEPOSIT in the name of the bearer as mentioned above.

To appropriately categorize the offenses inflicted upon the Movant and his Family, the following have been identified as among the reported violations and Human Rights Abuses instituted by the Officials of the Government of the Republic of the Philippines and, the deposed President himself, against the predecessors and the heirs of the TALLANO CLAN, to wit:

a) That, the Deposed President, during his civilian life time, and being a Brilliant Family Lawyer of the Clan since the year 1946, by stealth and strategies being highest and most influential Government Official to every government agencies then had managed to convince his subordinates in his administration and made him successfully stashing several tons of Gold that had been withdrawn from the Deposit of the Royal family then in Vatican City which said U.S. Gold Nuggets amounting to 617,000 metric tons portion of that 1,200,000 metric tons lent to Republic of the Philippines, in courtesy to the Cousin of the late Don Esteban Benitez Tallano the late Former President Manuel Roxas, which said 617,000 metric tons was used as Gold Reserves requirement of the newly established Central Bank then in the year 1949. But what made unlawful was that only around 617,000 metric tons as officially accounted and recorded for in the Central Bank vault then in the year 1965, that made the family a damaged of around 483,000 metric tons of Gold U.S. Nuggets.

b) That immediately, upon attaining the majority votes of the Filipino people for his Presidential Candidacy in the year 1965, in his first months of taking the position of being the President, thru his superior power, and abusive conduct and influence being a public official again and once more applied another stealth and strategies to the further damage of the TALLANO ROYAL FAMILY, he had withdrawn another 214,000 metric tons of Gold officially deposited in trust as Gold Reserves of the Central Bank, while, he knew very well being 10 years Lawyer of the Family said Gold reserves would be withdrawn upon expiration of Fifty (50) years lease to and in favor of the Royal Family on the year 1998, but to no avail in the said incoming withdrawal said remaining Gold Reserves are nowhere to be found except that of 17,000 metric tons of 999.9 karats of 12.5 U.S. Nuggets Gold Bars but the rest was nothing that had been initiated by the said Judicial Administrator, Prince Julian Morden tallano and his lawyer, Atty. Cezar Paras, in the end of the month of February 1986. That made the Royal Family and the Filipino people a total damage of P1.2 Million

Metric Tons of U.S. Gold Nuggets, beside of other precious wealth that were absconded by his identified cronies adversely affecting the interest of the TALLANO ROYAL CLAN's heirs including their good fortune were disappeared and their resources abundant daily living of their children had been grabbed through such despotic abuses of power of the said Deposed President, Ferdinand E. Marcos.

Whereas, on 28<sup>th</sup> of January 1987, this Court granted the Motion for the issuance of SPECIAL WRIT OF POSSESSION & EXECUTION filed by the successful intervenor thru Counsel, Senator Jose Diokno and his Collaborating Counsel, Atty. Liberato Bauto.

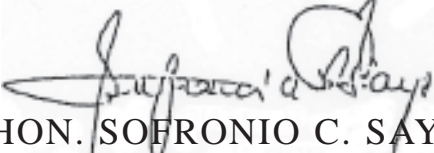

Whereas, DR. ALEJO RIZAL LOPEZ, who entered into stipulation to turn over the said movable precious assets to the rightful beneficiaries headed now by Court Appointed Judicial Administrator, PRINCE JULIAN MORDEN TALLANO, thru his legal counsel, as well, pleaded to this Court for three (3) years moratorium commencing February 1, 1987 ending February 1, 1990, after which said commodities inclusive of papers and documents relevance to absolute ownership would be turned over to said Judicial Administrator, otherwise, said concern person or persons shall be charged with fullest force of the law and appropriate penalty at the discretion of the Court considering no legal impediment that the Office of Hon. Solicitor General and the office of Presidential Commission on Good Government have been exercising in due course against the legitimate most valuable assets owner, the Tallano Royal Family.

NOW, THEREFORE, you are hereby commanded to enforce this SPECIAL WRIT and turn over all the aforementioned movable precious assets inclusive of papers and documents appurtenance thereto and any nature of assets, real or personal, either their Share of Stocks from any business corporation, bank and similar nature in as much as the Counsel of the Former President, ATTY. JUAN CORONEL, failed to submit demurer of evidences against the interest of the heirs of the Royal Family which corroborate the un-waivering position of the lawful owner of said precious assets worth of \$300 Trillion U.S. Dollar in term of ownership rights to and in possession of and or in favor of the heirs of the late PRINCE JULIAN MACLEOD TALLANO, QUEEN LYDIA LILIELUO KALANI KAMEHA MEHA and their Son, the late DON ESTEBAN BENITEZ TALLANO, headed and succeeded by Court Appointed Judicial Administrator, PRINCE JULIAN MORDEN TALLANO and against anybody or heirs or successors of said DR. ALEJO RIZAL LOPEZ or the heirs and sucesors of the Deposed President Ferdinand E. Marcos including heir trustee and or Depository Bank both in domestic and or foreign bank and those Bank or Institution operating abroad.

You cause to be made the sum equivalent to five percent(5%) of the subject assets or equivalent of such any of real or movable property against concern person bank or institution here in or in abroad for turn over to the legitimate beneficiaries headed by Court Appointed Judicial Administrator, PRINCE JULIAN MORDEN TALLANO, Attorney's Fee of P5 million pesos against each and every involve and concern person, otherwise, upon resistance by any of their successors in interest, cohort or any of their peers and cronies. you are as well mandated to arrest them and imprison to answer such unsettled liabilities and accountabilities that they exploited with for their self interest and of mere welfare of their cronies and cohorts.

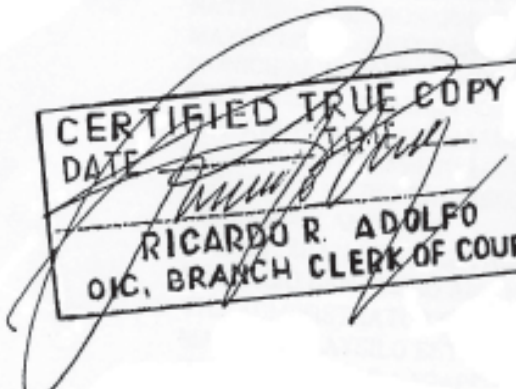

You are also directed to return this WRIT with your proceedings indorsed hereon within (90) days from receipt hereof.
